

From the Desk of the Hacker:

Hello, I have been very busy hacking this site and keeping up with your progress. I'm honestly very surprised that you have gotten this far! I suppose you want me to stop hacking this site though. I get it, I can be very annoying sometimes. But in order for me to do that, you have finish this "virtual obstacle course" that I created. Have fun!

Did I tell you that I love rickrolling people? Here, have a cup of coffee:  
<https://www.youtube.com/watch?v=dQw4w9WgXcQ>. Please visit the link. I promise that it will never give you up, let you down, run around, or desert you.

There should be a button below. I hope you are not reading this by mail. If you are, then please, please, please go online. Do you have no internet? HAHAAHAHAHAHA HOW DID YOU EVEN DOWNLOAD THIS LETTER!? Connect to the Internet and finish this quiz before my typewriter... runs out of ink and all the keys switch and make me make typos. Anyway, atggggg mu keyboad boke nd mae mee typ xtra meestakes!!!

- Hacker

P.S. You can expect more rickrolls.

P.P.S: I gotta go. Trouble is coming.  
Please do not reply to this message by mail,

as the mail carriers will intercept it and arrest me. Thanks.
